TASK SHEET 1.1-1

Title:	HOW TO VIEW SOURCE

Performance Objective: Given the following step/procedures, the trainee must be able to display the web source

Supplies/Materials:
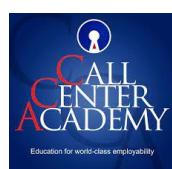

- Computer unit with internet connection and browser

Equipment	:	Desktop Computer/Laptop

Steps/Procedure:

1. Turn on the Computer.
2. Open a web browser (i.e. Internet explorer, google chrome, Microsoft edge, Mozilla Firefox, etc.)
3. Enter this URL into your browser:
   www.learningwebdesign.com/4e/
   materials/chapter02/kitchen.html
   You should see the Jen's Kitchen web page from Figure 2-3.
4. Select View → Page Source (or View → Source) from the browser menu. On Chrome and Opera, View Source is located in the Developer menu. A window opens showing the source document shown in the figure

Assessment Method:

- Practical Demonstration

Performance Criteria Checklist 1.1-1
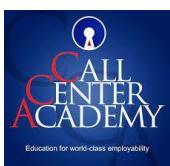

CRITERIA Did you….	YES	NO
• Properly turned-on the Desktop Computer
